Dear Parents,

For the 2018-2019 school year, we will be piloting the use of SchoolKidz, Inc. and their Teacher Tailored[®] back-to-school supply kit program for our Intermediate and Junior High students. Don't feel like fighting long lines to find every single requested item on your child/ren's supply list? We did the shopping for you!

SchoolKidz, Inc. offers most every item* on your child's supply list. Best of all, the entire package comes in a reusable **personalized** kit. We have a **limited** supply of kits available on a first come, first serve basis.

This program will save you time, making "back-to-school" less hectic and more enjoyable for both you and your child/ren. We believe you will find the pricing to be very reasonable. All kits will be delivered to the school and will be waiting for your child/ren on the first day of class. For pricing and to place an order for your Intermediate and/or Junior High student(s), please contact Erin Sullivan at erinsullivan313@gmail.com.

If you have any questions, please contact Erin Sullivan at erinsullivan313@gmail.com or Tricia Kranz at triciakranz@gmail.com

* Chromebooks, TI-84 calculators and backpacks are not included in the school supply kits and must be purchased separately.
